## Certificate of constancy of performance

**1301 – CPR – 2408**

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

### **Composite GFRP bar reinforcement TopBAR with diameters of 6 mm, 8 mm, 12 mm and 16 mm**

is used to reinforce load and non-load bearing elements of monolithic and precast concrete structures. It is used primarily in those parts of buildings that are exposed to an increased risk of corrosion, in structures with requirements for protection against electromagnetic influences, and in structures where cutting of the reinforced structure is considered.

Composite GFRP bar reinforcement TopBAR is intended to be used as reinforcement of construction works and elements made of reinforced concrete (beams, columns, panels, slabs and other structural elements). Bars are used in parts of concrete structures where full bond between reinforcement bar and concrete at whole length of a bar.

Placed on the market under the name of

**Composite Group s. r. o.**  
**Panenská 5, 811 03 Bratislava – mestská časť Staré Mesto**  
**Slovak Republic**

and produced in the manufacturing plant

**Composite Group s. r. o.**  
**Priemyselná 8, 924 01 Galanta**  
**Slovak Republic**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in the

**ETA 23/0523 – version 01, issued on 20/11/2024**

and

**EAD 260023-00-0301**

under system 1+ for the performance set out in the ETA are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

### **constancy of performance of the construction product.**

This certificate was first issued on 22 November 2024 and will remain valid as long as neither the ETA, the EAD, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.

Bratislava, 22 November 2024
